

Roche Ceiling Recessed Electric Projection Screens

The aluminum housing fits discreetly into your space and the weighted bar provides a flush finish to the ceiling trim kit offering an elegant, unobtrusive finish in both conference rooms and high-quality home cinema's alike. The canvas has a matte white surface with a black backing, which thanks to the special surface structure is ideal for presenting high-resolution images.

Quiet motor drive | Variable, stepless adjustment of the screen installation height up to max of 100cm | 3-ply, coated projection screen optimally designed for high-resolution 4K content | Type D cloth with 1.2 gain at 150° viewing angle, fire class B2 | Black, opaque back | Wedge-shaped weighted bar that finishes flush with the housing | Extruded, white painted aluminum housing

Format	Product size	Viewing Area	Black drop	Border	Ceiling cut-out	Net weight
		W x H		← / → / ↓	W x D
