

Roche Fast Foldable 16:9 Front Projection Screens

Our Fast Foldable Front Projection Screens benefit from an easy to setup and sturdy design. There are no parts to install and no tools required as the frame and support utilise its own connectors - the fabric attaches via a dome and grommet popper system.

Sizes:

203 x 114 cm

244 x 137 cm

305 x 172 cm

366 x 206 cm
