## Large Screen Lecterns

There are three models offered:

Shown left, TL1, a rigid and stable platform with fixed angle screen mount.

Shown right, TL2, a trolley that can be powered up and down with a variable angled screen mount, manually operated through 90 degrees from horizontal to vertical. Full cable management is provided at the rear.

A further trolley, TL5, powers up and down and also has a manually operated variable angled screen mount but no cable management.
