

### **Roche Quick Foldable 4:3 Projection Screen**

These Quick Foldable Projection screens come complete with frame, legs & fabric – all neatly packaged in a wheeled flight case with a handle for easy transport. They are easy to assemble – the screen fabric attaches to the frame with simple snaps and 2 side supports are fixed to the frame with simple knobs.

Ratio	Dimensions	Surface
4:3 Ratio	1.71 x 1.28m	Front Projection Surface Supplied
